---

Hi team,

Starting the list of what the Lansing team asked us to provide:

**Resources**

- MSN's PFAS information page: https://www.msnairport.com/about/ecomentality/PFAS-Information

- Pilot Project presentation (process and results) from consultants to Airport Commission on 3/8/2023
    - https://dane.granicus.com/player/clip/2980?&redirect=true&h=348de056109b84d30e23d98f9c5b6180

- Attached documents
    - Presentation slides from the linked Pilot Project presentation to the Airport Commission
    - Pilot Project Remediation Report from consultants, dated 2/3/2023

- WI DNR's BRRTS site: https://dnr.wi.gov/botw/SetUpBasicSearchForm.do
    - MSN's BRRTS Case Numbers:
        - 02-13-584472 – DANE CNTY REGIONAL AIRPORT
        - 02-13-581254 – WANG-115TH FIGHTER WING
        - 02-13-583366 – DANE COUNTY FIRE TRAINING AREAS
        - 02-13-584369 – STARK WEATHER CRK TRUAX FIELD
        - 02-13-585319 – WANG F35 BUILDING CONSTRUCTIONS
        - 07-13-586274 – DANE CNTY REGIONAL AIRPORT (FedEx Construction)

**Lawsuit summary/recap**

- Amy to provide

**Introduction to consultants**

- Larry Kinsman, Principal, ORIN Technologies, LLC
    - Office: (608) 838-6699
    - lkinsman@orinrt.com
- Timothy Repas, Fixed Earth Innovations
    - Phone and/or email
    - Mike K to provide

- Together, Larry and Tim created joint venture, Onur Solutions

Larry/Tim should be given a heads up ahead of the introduction. Recommend the introduction to be a separate email.
