ACCORDINGLY, COUNTY and PROVIDER agree as follows:

I. TERM:

The primary term of this Agreement begins March 1, 2023 and ends on December 31, 2024 (“EXPIRATION DATE”), unless sooner agreed to in writing by the parties. PROVIDER shall complete its obligations under this Agreement no later than the EXPIRATION DATE, except as extended by COUNTY. COUNTY shall not be liable for any services performed by PROVIDER other than during the term of this Agreement. COUNTY shall never pay more than the Maximum Cost as stated above for all services over the term of this Agreement, including any extensions. Upon failure of PROVIDER to complete its obligation set forth herein by the EXPIRATION DATE, COUNTY may invoke the penalties, if any, set forth in this document and its attachments, in addition to any other remedies available.

II. SERVICES:

- A. PROVIDER shall provide the services detailed in the bid specifications, if any; the request for proposal (“RFP”) and PROVIDER’s response to the RFP, if any; and on the attached Schedule A. In the event of a conflict between or among the bid specifications, the RFP or RFP response, or Schedule A or any of them, the terms of Schedule A are controlling to the extent of any conflict.
- B. PROVIDER shall perform its obligations under this Agreement with all deliberate speed and in a sound, economical, and efficient manner, in accordance with this Agreement and all laws. In providing services under this Agreement, PROVIDER shall cooperate with the various departments, agencies, employees, and officers of COUNTY.
- C. PROVIDER shall secure at its own expense all personnel necessary to carry out PROVIDER’s obligations under this Agreement. Such personnel shall not be deemed to

be employees of COUNTY nor shall they or any of them have or be deemed to have any direct contractual relationship with COUNTY.

- D. No portion of funds under this Agreement may be used to support or advance religious activities.
- E. PROVIDER warrants that it has complied with all necessary requirements to do business in the State of Wisconsin and has met all state and federal service standards, certifications, and assurances as expressed by State and Federal law.
- F. PROVIDER shall follow public health guidelines to provide safe services and a safe workplace. In addition, by signing this Agreement, PROVIDER acknowledges the contagious nature of COVID-19 and voluntarily assumes the risk that PROVIDER and its staff may be exposed to or infected by COVID-19 when providing services under this Agreement and that such exposure or infection may result in personal injury, illness, permanent disability, and death.
- G. PROVIDER further acknowledges that PROVIDER is assuming all of the foregoing risks and accept sole responsibility for any injury to itself and staff, including, but not limited to, personal injury, disability, death, illness, damage, loss, claim, liability, or expense or any kind, that PROVIDER or its staff may experience or incur in connection with providing services. PROVIDER hereby releases, covenants not to sue, discharges, and holds harmless and indemnifies the COUNTY, its employees, agents, and representatives, of and from any and all claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. Provider understands and agrees that this release includes any claims based on the actions, omissions, or negligence of COUNTY, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after the provision of services under this Agreement.

III. ASSIGNMENT/TRANSFER:

PROVIDER shall not assign, subcontract, or transfer any interest or obligation in this Agreement, without the prior written consent of COUNTY, including the hiring of independent contract service providers unless otherwise provided herein. Claims for money due or to become due PROVIDER from COUNTY under this Agreement may be assigned to a bank, trust company or other financial institution without such approval if and only if the instrument of assignment contains a provision substantially to the effect that it is agreed that the right of the assignee in and to any moneys due or to become due to PROVIDER shall be subject to prior claims of all persons, firms, and corporations for services rendered or materials supplied for the performance of the work called for in this Agreement. PROVIDER shall promptly provide notice of any such assignment or transfer to COUNTY. Any unauthorized assignment, subcontract, or transfer is void.

IV. TERMINATION:

- A. Failure of PROVIDER to fulfill any of its obligations under this Agreement in a timely manner, or violation by PROVIDER of any of the covenants or stipulations of this Agreement, shall constitute grounds for COUNTY to terminate this Agreement by giving a thirty (30) day written notice to PROVIDER.
- B. The following shall constitute grounds for immediate termination:
 - 1. violation by PROVIDER of any law, or failure by PROVIDER to comply with any State and Federal service standards, as expressed by statute, rule, and regulation;

 - 4. inability of PROVIDER to perform the work provided for herein.
- C. Failure of the Dane County Board of Supervisors or the State or Federal Governments to appropriate sufficient funds to carry out COUNTY's obligations hereunder, shall result in

automatic termination of this Agreement as of the date funds are no longer available, without notice.

- D. In the event COUNTY terminates this Agreement as provided herein, all finished and unfinished documents, services, papers, data, products, and the like prepared, produced or made by PROVIDER under this Agreement shall at the option of COUNTY become the property of COUNTY, and PROVIDER shall be entitled to receive just and equitable compensation, subject to any penalty, for any satisfactory work completed on such documents, services, papers, data, products or the like. Notwithstanding the above, PROVIDER shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of this Agreement by PROVIDER, and COUNTY may withhold any payments to PROVIDER for the purpose of offset.

V. PAYMENT:

COUNTY agrees to make such payments for services rendered under this Agreement as and in the manner specified in this Agreement and the attached Schedule B. Notwithstanding any language to the contrary in this Agreement or its attachments, COUNTY shall never be required to pay more than the sum set forth on page 1 of this Agreement under the heading MAXIMUM COST, for all services rendered by PROVIDER under this Agreement.

VI. REPORTS:

PROVIDER agrees to make such reports as are required in the attached schedules. With respect to such reports it is expressly understood that time is of the essence and that the failure of PROVIDER to comply with the time limits set forth in said schedules shall result in the penalties set forth herein.

Notices, bills, invoices, and reports required by this Agreement shall be deemed delivered as of the date of postmark if deposited in a United States mailbox, first class postage attached, addressed to a party's address as set forth above. A party changing its address shall notify the other party in writing within a reasonable time.

VIII. INSURANCE & INDEMNIFICATION:

A. PROVIDER shall indemnify, hold harmless and defend COUNTY, its boards, commissions, agencies, officers, employees, and representatives against any and all liability, loss (including, but not limited to, property damage, bodily injury, and loss of life), damages, costs or expenses which COUNTY, its officers, employees, agencies, boards, commissions, and representatives may sustain, incur or be required to pay by reason of PROVIDER's furnishing the services or goods required to be provided under this Agreement, provided, however, that the provisions of this paragraph shall not apply to liabilities, losses, charges, costs, or expenses caused by or resulting from the acts or omissions of COUNTY, its agencies, boards, commissions, officers, employees or representatives. Any failure on the part of the PROVIDER to comply with reporting or other provisions of its insurance policies shall not affect this PROVIDER's obligations under this paragraph. COUNTY reserves the right, but not the obligation, to participate in defense without relieving PROVIDER of any obligation under this paragraph. The obligations of PROVIDER under this paragraph shall survive the expiration or termination of this Agreement.

B. In order to protect itself and COUNTY, its officers, boards, commissions, agencies, agents, volunteers, employees, and representatives under the indemnity provisions of the subparagraph above, PROVIDER shall, at PROVIDER's own expense, obtain and at all times during the term of this Agreement keep in full force and effect the insurance coverages, limits, and endorsements listed below. When obtaining required insurance under this Agreement and otherwise, PROVIDER agrees to preserve COUNTY's subrogation rights in all such matters that may arise that are covered by PROVIDER's insurance. Neither these requirements nor the COUNTY's review or acceptance of PROVIDER's certificates of insurance is intended to limit or qualify the liabilities or obligations assumed by the PROVIDER under this Agreement. The County expressly

reserves the right to require higher or lower insurance limits where County deems necessary.

1. Commercial General Liability.

PROVIDER agrees to maintain Commercial General Liability insurance at a limit of not less than \$1,000,000 per occurrence. Coverage shall include, but not be limited to, Bodily Injury and Property Damage to Third Parties, Contractual Liability, Personal Injury and Advertising Injury Liability, Premises-Operations, Independent PROVIDERs and Subcontractors, and Fire Legal Liability. If such policy is a "claims made" policy, all renewals during the life of the Agreement shall include "prior acts coverage" covering at all times all claims made with respect to PROVIDER's work performed under the Agreement. This Professional Liability coverage must be kept in force for a period of six (6) years after the services have been accepted by COUNTY

3. Commercial/Business Automobile Liability Insurance.

If applicable to the services covered by this Agreement, PROVIDER shall provide and maintain commercial general liability and automobile liability insurance at a limit of not less than \$1,000,000 per occurrence. Coverage for commercial general liability and automobile liability insurance shall, at a minimum, be at least as broad as Insurance Services Office ("ISO") Commercial General Liability Coverage (Occurrence Form CG 0001) and ISO Business Auto Coverage (Form CA 0001), covering Symbol 1 (any vehicle).

4. Environmental Impairment (Pollution) Liability

If PROVIDER will be transporting waste or will be disposing of waste or products under this Agreement, then PROVIDER agrees to maintain Environmental Impairment (Pollution) Liability insurance at a limit of not less than \$1,000,000 per occurrence for bodily injury, property damage, and environmental cleanup costs caused by pollution conditions, both sudden and non-sudden. This requirement can be satisfied by either a separate environmental liability policy or through a modification to the Commercial General Liability policy. Evidence of either must be provided.

5. Workers' Compensation.

PROVIDER agrees to maintain Workers Compensation insurance at Wisconsin statutory limits.

6. Umbrella or Excess Liability.

PROVIDER may satisfy the minimum liability limits required above for Commercial General Liability and Business Auto Liability under an Umbrella or Excess Liability policy. There is no minimum Per Occurrence limit of liability under the Umbrella or Excess Liability; however, the Annual Aggregate limit shall not be less than the highest "Each Occurrence" limit for the Commercial General Liability and Business Auto Liability. PROVIDER agrees to list DANE COUNTY as an "Additional Insured" on its Umbrella or Excess Liability policy.

The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its elected and appointed officials, officers, employees or authorized representatives or volunteers. Except for the workers compensation policy, each insurance policy shall contain a waiver of subrogation endorsement in favor of COUNTY.

3. Provider's Insurance Shall be Primary

For any claims related to this Agreement, PROVIDER's insurance shall be primary insurance with respect to COUNTY, its elected and appointed officials, officers, employees or authorized representatives or volunteers. Any insurance, self-insurance, or other coverage maintained by COUNTY, its elected and appointed officers, officials, employees or authorized representatives or volunteers shall not contribute to the primary insurance. PROVIDER's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability

4. Cancellation Notice

Each insurance policy required by this Agreement shall state, or be endorsed so as to the state, that coverage shall not be canceled by the insurance carrier or the PROVIDER, except after sixty (60) days (ten (10) days for non-payment of premium) prior written notice by U.S. mail has been given to COUNTY.

5. Evidences of Insurance.

Prior to execution of the Agreement, PROVIDER shall file with COUNTY a certificate of insurance (Accord Form 25-S or equivalent) signed by the insurer's representative evidencing the coverage required by this Agreement. Such evidence shall include an additional insured endorsement signed by the insurer's representative. Such evidence shall also include confirmation that coverage includes or has been modified to include all required provisions as detailed herein.

6. Sub-Contractors.

In the event that PROVIDER employs sub-contractors as part of this Agreement, it shall be the PROVIDER's responsibility to require and confirm that each sub-contractor meets the minimum insurance requirements specified above.

- D. The parties do hereby expressly agree that COUNTY, acting at its sole option and through its Risk Manager, may waive any and all requirements contained in this Agreement, such waiver to be in writing only. Such waiver may include or be limited to a reduction in the amount of coverage required above. The extent of waiver shall be determined solely by COUNTY's Risk Manager taking into account the nature of the work and other factors relevant to COUNTY's exposure, if any, under this Agreement.

IX. NO WAIVER BY PAYMENT OR ACCEPTANCE:

In no event shall the making of any payment or acceptance of any service or product required by this Agreement constitute or be construed as a waiver by COUNTY of any breach of the covenants of this Agreement or a waiver of any default of PROVIDER and the making of any such payment or acceptance of any such service or product by COUNTY while any such default or breach shall exist shall in no way impair or prejudice the right of COUNTY with respect to recovery of damages or other remedy as a result of such breach or default.

X. NON-DISCRIMINATION:

PROVIDER shall not discriminate on the basis of age, race, ethnicity, religion, color, gender, disability, marital status, sexual orientation, national origin, cultural differences, ancestry, physical appearance, arrest record or conviction record, military participation or membership in the national guard, state defense force or any other reserve component of the military forces of the United States, or political beliefs against any person, whether a recipient of services (actual or potential) or an employee or applicant for employment. - A. If PROVIDER has 20 or more employees and receives \$20,000 in annual contracts with COUNTY, the PROVIDER shall submit to COUNTY a current Civil Rights Compliance Plan (CRC) for Meeting Equal Opportunity Requirements under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title VI and XVI of the Public Service Health Act, the Age Discrimination Act of 1975, the Omnibus Budget Reconciliation Act of 1981, and Americans with Disabilities Act (ADA) of 1990. PROVIDER shall submit a copy of its discrimination complaint form with its CRC/AA Plan. The CRC/AA Plan must be submitted prior to the effective date of this Agreement and failure to do so by said date shall constitute grounds for immediate termination of this Agreement by COUNTY. If an approved plan has been received during the previous CALENDAR year, a plan update is acceptable. The plan may cover a two-year period. Providers who have less than twenty employees, but who receive more than \$20,000 from the COUNTY in annual contracts, may be required to submit a CRC Action Plan to correct any problems discovered as the result of a complaint investigation or other Civil Rights Compliance monitoring efforts set forth herein below. If PROVIDER submits a CRC/AA Plan to a Department of Workforce Development Division or to a Department of Health and Family Services Division that covers the services purchased by COUNTY, a verification of acceptance by the State of PROVIDER'S Plan is sufficient.

The complaint process will be according to COUNTY'S policies and procedures and made available in languages and formats understandable to applicants, clients, and employees. PROVIDER shall supply to COUNTY'S Contract Compliance Officer upon request a summary document of all client complaints related to perceived discrimination in service delivery. These documents shall include names of the involved persons, nature of the complaints, and a description of any attempts made to achieve complaint resolution.
- D. PROVIDER shall provide copies of all announcements of new employment opportunities to COUNTY'S Contract Compliance Officer when such announcements are issued.

If an investigation by the Contract Compliance Officer results in a final determination that the matter adversely affects PROVIDER'S responsibilities under this Agreement, and

which recommends termination, suspension or cancellation of this agreement, the County may take such action.

- B. Appeal Process
PROVIDER may appeal any adverse finding by the Contract Compliance Officer as set forth in Dane County Ordinances Sec. 25.08(20)(c) through (e).

Subject: Proposal for site investigation activities at a Darwin Training Area location.

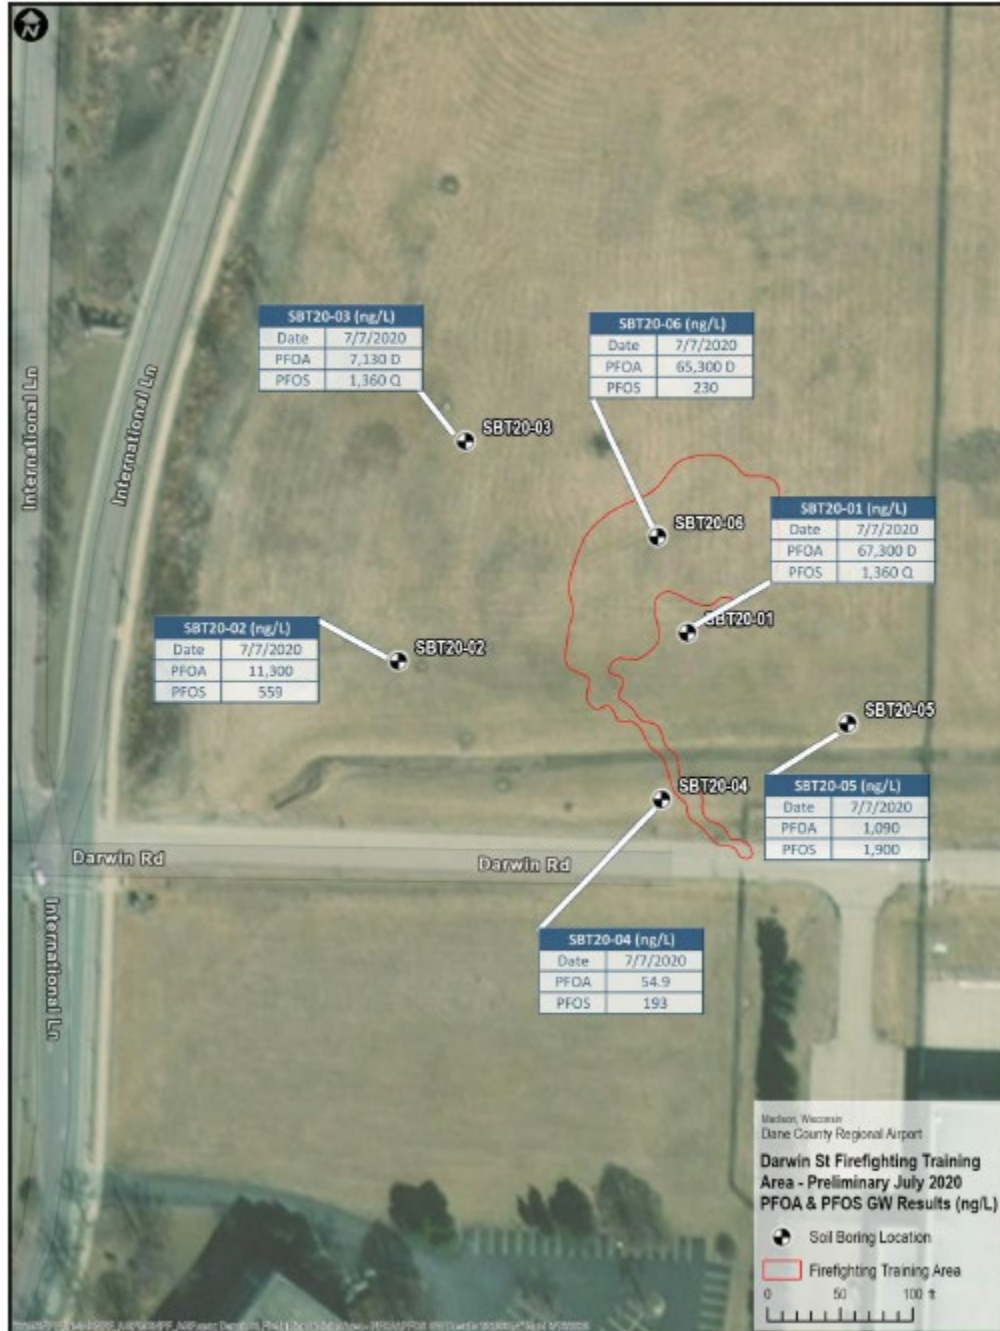

Dear Mr. Kirchner:

ORIN is pleased to submit to you for your consideration this proposal for the completion of an environmental site investigation (SI) at the Darwin Training Area (DTA) location in Madison, Wisconsin. The following sections describe ORIN's understanding of the site as well as an investigative strategy and estimated schedule of costs.

Background

ORIN understands that there are surface water and groundwater PFAS impacts that have been previously identified at the DTA site; surface water impacts have been documented in adjacent surface water features. Six sampling locations from an initial investigation were used to collect data for boring logs, PFAS analyses of soils, and PFAS analyses of groundwater. The initial investigation indicates that the saturated zone at the DBP site varies from 10 to 18-feet below grade surface (bgs). Unsaturated and saturated soils consist of interbedded sands, silts, and clay overlying a uniform, fine sand at a varying depth. Initial soil samples have found varying elevated PFAS concentrations near the surface and as deep as but not limited to 11ft. Initial groundwater samples indicate PFOA and PFOS concentrations as high as 67,300 ng/L and 1,900 ng/L, respectively. The extent of PFAS groundwater impacts is not fully understood or delineated. See figure 1 for the previous sampling locations.

Figure 1. Previous sampling locations of the Darwin Training Area

Scope of Work

The proposed tasks and their descriptions are provided in this project Scope of Work below.

Task 1: Work Plan and Health & Safety Plan Development

ORIN along with Shannon and Wilson (S&W) will generate a simple project work plan that will describe an investigative strategy for determining the nature and extent of PFAS impacts to the subsurface soil and groundwater at the site. The work plan will describe the means and methods for the completion of soil borings and groundwater monitoring wells at the site. In addition, the work plan will describe the handling and management of investigative derived wastes (soil, groundwater, and PPE) generated during the site investigation process.

A Health & Safety Plan (HASP) will be prepared for the sake of on-site work and bystander safety. It will include a cursory discussion on the physical and chemical hazards associated with the proposed field activities.

Task 2: Site Investigation

The Site investigation is anticipated to consist of an evaluation of two potentially impacted resources: soil and groundwater. Approximately 10 to 15 soil borings will be completed. Two soil samples will be collected from each of these borings at different depths and submitted for PFAS chemical analysis. It is anticipated that discrete soil samples will also be submitted for total organic fluorine.

It is anticipated that five Chapter NR 141 monitoring wells will be installed at the site. These five wells will be water table wells with 15ft screens installed adequately above the water table to account for seasonal water table fluctuations. Soil and groundwater sampling methodology will be described in the project work plan. Locations of the soil borings, monitoring wells, and piezometer will be determined based on a review of the existing investigative reports.

Investigative Waste Management

Unless directed otherwise, residual soil that is not submitted for chemical analysis will be contained in 55-gallon open top steel drums, sealed, and then staged at a secure location on-site. Purge and monitoring well development water will also be contained and staged on-site pending chemical analytical results.

Task 3: Site Investigation Report

A formal report will be provided describing the field investigation activities and any deviations from the work plan due to the occurrence of subsurface field conditions. Chemical analytical results will be compared to the WDNR's soil

residual contaminant levels provided in WDNR Chapter NR 720 Wis Admin Code or the EPA's Regional Screening Levels (RSLs) for PFAS.

The SI report will contain daily Field Activity Reports (FARs) that provide narrative and photographic documentation of the SI field investigation activities. Additional site investigation work may be required based on the results of the soil sample chemical analysis. The scope of the any additional SI investigation work or long-term monitoring would be determined based on discussions with the site representative.
